Your donation makes a difference!

\$250

Awareness Appetiser

Your \$250 could help fund one-on-one phone support for a newly diagnosed family navigating mito for the first time. When answers feel out of reach, this support brings reassurance and practical advice.

Your \$500 could contribute to the funding of lab-based mito research—investigating new ways to diagnose and treat mitochondrial disease. Every dollar brings us closer to a breakthrough.

\$500

Fundraising Feast

\$1000

Mito Master Chef

Your \$1,000 could help the Mito Foundation support clinical trial readiness—ensuring patients and researchers are equipped to take part in life-changing studies as soon as they become available.

First to \$1,000? The first 10 fundraisers to reach Mito Master Chef level will receive a \$100 gift card to help cover your event costs—our thank you for going above and beyond.
